

# ICISF

The International Critical Incident Stress Foundation, Inc. (ICISF) is a non-profit, open membership foundation dedicated to the prevention and mitigation of disabling stress through the provision of:

Education, training and support services for all Emergency Services professions; Police, Fire, EMS, Chaplains, continuing education and training in Emergency Mental Health Services for the Mental Health Community; and Consultation in the establishment of Crisis and Disaster Response Programs for varied organizations and communities worldwide.

## Grief Following Trauma

In the course of one's career, it is inevitable that professionals will encounter traumatic death and loss issues both personally and professionally. Professionals often feel ill prepared to provide effective care throughout the grief process. This course will cover key grief and loss concepts relating to trauma and traumatic death. Participants will increase their knowledge of how trauma impacts the grief process and will gain skills for evaluating and supporting persons who have experienced traumatic death and loss.

This course is designed for anyone who works with people who experience grief and loss following a traumatic event.

---

### Program Highlights

---

- Characteristics of trauma
