

WHAT IS YOUR CALLING IN LIFE?

Do you have a heart to help people in a crisis?
Would you like to assist people in a disaster or emergency?
Could you minister comfort to a person in shock or suffering from trauma?

Already having the heart and the desire to help, you may only lack the necessary credentials and training to officially function as a Chaplain.

For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do. Eph. 2:10

You are invited to become prepared to assist.
